

2 Blocks To The Beach...

**4 / 30 Campbell St, Woonona**

Set in a block of 5 villas this property has three bedrooms, one with a walk-in robe and 2 with built-in wardrobes. The villa has loads of cupboard space & other features include no common walls, separate toilet & internal laundry. There is also a good size courtyard, single garage & security shutters. Located at the end of the block it has an open, sunny northerly outlook & once inside the property is all on one level. The location is great - being close to Woonona township and the beach, it also has a bus stop right out the front. Owner loves it but needs to move on!
